### **Sunrise Rotary Trolley Derby**

The main street of Whangarei was closed on Sunday 18th September from 9am - 3pm and was filled with excited students, parents, teachers, sponsors and spectators all watching in anticipation while students from 20 schools raced their school trolley down Bank Street.

Trenz Homes was proud to be the sponsor for Maungakaramea Primary School who took out first prize. We had a fun filled day with 5 students driving the trolley including Kate Barrett who won with the quickest overall time of 40.42 seconds.

Many thanks to the Sunrise Rotary for organising such a well run event. We were pleased to be involved in such a great community day!
